

```
tuple_caster< std::  
pair, T1, T2 >
```

A diagram showing two boxes. The bottom box is shaded gray and contains the text 'type\_caster< std::pair < T1, T2 > >'. A blue arrow points upwards from the bottom box to the top box. The top box is white and contains the text 'tuple\_caster< std::pair, T1, T2 >'.

```
type_caster< std::pair  
< T1, T2 > >
```
