

`dtype::itemsize`

```
graph LR; A[dtype::itemsize] --> B[array_descriptor_proxy];
```

A diagram showing a relationship between two code elements. On the left, a gray rectangular box contains the text `dtype::itemsize`. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text `array_descriptor_proxy`. Both boxes have a black border.

`array_descriptor_proxy`
