

class_::init_holder

```
graph LR; A[class_::init_holder] --> B[class_::init_holder_from_existing]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'class_::init_holder'. The right box is white and contains the text 'class_::init_holder_from_existing' on two lines. A dark blue arrow points from the right side of the gray box to the left side of the white box.
